

## **Dustin Mathews Introduction**

*Note to Host/Emcee*

In a moment, I'm going to introduce you to someone who can **dramatically transform your life and business ...** if you let him.

I know that is a big claim and that's why I'm here to personally introduce him. That's how **important** the information is, that he has to share TODAY.

When you listen to Dustin, you'll truly appreciate why I asked him on *[INSERT NAME OF YOUR SHOW]*.

Simply put, our Featured guest, **Dustin Mathews transforms businesses and brands.**

Right out of school, Dustin helped take a company from \$1M to \$14M and #35 on *Inc. Magazine's* Fastest Growing Private Companies.

His newest venture, **Speaking Empire**, is recognized as a disruptive company in the leadership training and education space.

He is **THE mentor and coach** to the worlds leading speakers, coaches, business owners and thought leaders such as **Shark Tank star Kevin Harrington**, NY Times Best Selling Author, **Robert Allen**, infomercial star Dean Graziosi, **X Games Host & Actress Forbes Riley & Entrepreneur of the Year**, Roxanne Emmerich.

Dustin's company was privileged to be involved with the Get Motivated Success TOUR which included past presidents and world leaders such as **Bill Clinton, Laura Bush, Ronald Reagan & Mikhail Gorbachev ...** sports stars such as **Michael Phelps, Joe Montana** and business personalities like **Steve Forbes, Steve Wozniak & Kendra Todd.**

I've asked Dustin to preview his latest work, a book with Entrepreneur due out in June, titled the **NO B.S. Guide To Powerful Presentations: How To Sell ANYTHING With Webinars & Online Media, Speeches & Seminars.**

Today he will reveal something he's never shared with the masses and you're going to want to stay glued to your seat.

With that said, I'd like to welcome Mr. Dustin Mathews. Welcome to the show...
